

RESUME

First Name: Soheil
Last Name: Omidian Amiri
Date of Birth: 1974
Place Of Birth: Babol-Iran
Nationality: Iranian
Address: 3rd Floor, No.27, Hazeri Street , Shriraz Alley, Molasadra Blvd
Cellphone No.: +98 912 5475868
E-Mail Adresse: omidianamiri@gmail.com

Education:

2017 M.Sc. In Energy Eng. - Science and Research
1996 B.Sc. In Mechanical Eng. - Babol University
1990 High School Diploma in Physics & Mathematics

Summary of Professional Experience:

2022 – Up to Now **Fakoor Sanat Tehran Co.**

Execution Manager in BOP

- Steel Making Project, Foold Golgohar

2017 – Up to 2022 **Farab Co.**

Member of Board – Berkeh Co. (Farab Group)

- Procurement Manager

Execution Department Engineer

- Mechanical Engineering Expert, South Pars Central Combine Cycle Power Plant Familiar with Combine Cycle Power Plant Equipment Such as HRSG, Turbine, Axillary Boiler, Cooling System, CCP, WTP, ...

Responsible of Supply Mechanical Equipment

2015 – 2017 Omid Joint Venture (ODCC Co.+ Tehran Jonoob Co. + Payandan Co.)

Engineering Manager

- Bandarabbas, Sirjan, Rafsanjan Oil Pipeline Project
Design and Procurement of 450Km Pipeline and Related Equipment for Pump Station

2005 - 2015 Scetiran Consulting Engineer

Project Manager

- Qaleh-nar Compression & Injection Project
- Tange-Fanni to Darre-shahr Pipeline Project
- Bande Karkheh oil field Project
- Salman – Siri Submarine Pipeline Project

Deputy of Project Manager

- Genaveh oil depot Project

Project Engineer

- IGAT VI Gas Pipeline Project and Gas Compressors Station
- Pali Baba & Bardaspi Storage Tanks Project

Head of Mechanical Department

Projects: Several EPC Projects in Oil & Gas Field

Responsibilities:

- Preparing Equipment Documentation such as Specifications, Data Sheets, Bid Evaluation Tables (TBA), Design Review, Inspection and Testing of Equipment
- Design & Selection of Main Process Equipment as Desalters, Compressors, Furnace, Pumps, Scrubbers, Separators, Cranes,...and Utility Systems As Auxiliary Instrument Air Packages, N2 Packages,
- Working in Several EPC Projects (Gas compressor Station, Oil Storage, Topping Plant,)
- Participating in Tests, Installations, ...
- Participating in Commissioning & Start Up, ...
- Working in Pipeline Projects
- Familiar with Oil & Gas Standards as API, ISO, BS, DNV, ...

- Experienced in The Use of Appropriate Codes of Practice, Standards and Relevant Sections of Statutory Documentation
- Using of Design and Assessment Methods within Discipline
- Evaluation of Commercial, Contractual and Administrative Aspects of Engineering
- Estimating Man-Hours and Materials for Delegated Aspects of Work
- Preparation of Proposal Tender Document

2001 - 2005 **Sadra Co.**

- Project QA/QC Coordinator at **Salman Offshore Facilities Project** (2003- 2005)
- Project QA/QC Coordinator at **Submarine Water Pipeline Project (Pipe Laying)** (2003- 2005)
- Technical Inspector at **Iran Alborz Semisubmersible Drilling Unit Project** (2001- 2003)

1998 - 2001 **Pargasiran Co.**

- QA/QC Inspector
- Supervising of Shop and Filed Tests
- Supervising of Erections

Specialty & Experience:

- Successfully Completed the LRQA **ISO 9001-2000 Internal Auditor** Training Course (Certificate No.03/2611, Date: 26/08/03 IATCA)
- Member of Survey from Gas House Piping System
- Member of Iranian Construction Engineers Organization
- Successfully Completed the Risk Techniques (RT)-
- API STD 610 Requirement on Centrifugal Pumps
- **PMBOK** Training
- Air Compressor screw Training
- Ansys Training
- Welding Training
- Inspection and Test of Equipement

Professional Skills:

- Familiar with Combine Cycle Power Plant Equipment
- Mechanical **Design of Rotary Equipment** (Preparation Specification & Data Sheet)
- Preparation of **WPS & PQR**
- Preparation of **Proposal Tender Document**
- Verification of **Vendor Proposal Document**
- Familiar with **Microsoft Office** (Word, Excel) and Auto Cad.

Professional Membership:

- Successfully Completed the LRQA ISO 9001-2000 Internal Auditor Training Course (Certificate No.03/2611, Date: 26/08/03 IATCA)
- Member of Survey from Gas House Piping System
- Member of Iranian Construction Engineers Organization
