SUMMARY

Profile	MOHSEN MORADIAN
Nationality	IRAN
Current Location	TEHRAN,IRAN
Sex/Year	1987/Male
Martial Status	Single

WORK EXPERIENCE

Petro Saze Mobin Company (EPCC)

Jan 2021-Present

- Aghajari-02 Compressor Station and Gas Dehydration Unit and Pazanan-01 Gas Dehydration Unit with related Pipelines” as a part of supplying feed from flared gas streams to Persian Gulf Bid Boland Refinery project.
- Ethylene oxide unit- andimeshk petrochemical
- Well head facilities south azadegan- National Iranian South Oil Company

IRANIAN CENTRAL OIL FIELD CO.(ICOFC) PROJECT (S.G.S)

Jan 2012-Jan 2021

- Technical Inspector of piping process (B31.3), Pipe line (API1104, API5L, B31.4, B31.8) and Wellhead equipment (API 6D.6A)(I.C.O.F.C - Cheshme Khosh Location).
- Technical Inspector of desalting unites (I.C.O.F.C- Cheshme Khosh Location). - Inspection of Material(Pipe, Flange, Valve, Fitting,...)
 - Inspection of Storage tanks(API 620,650) –
 - Making Project Document,... Survey MR,MTO,PFD,Isometric Drawing
 - Inspection piping and welding and RTI&UT&VT.
 - Inspection of coating and painting
 - Sepration unit, khangiran(I.C.O.F.C)
 - Well No.:K.G(64&67&68) Well Head Facility&Pipe Line, khangiran(I.C.O.F.C)
 - Dalan Manifold No.:1,2,3
 - Well Head Facility & Pipe Line,Aghar&Dalan(I.C.O.F.C)

Feb 2011 - Jan 2012

FALAT PEJVAK INSPECTION CO. – NDT/ Tehran, Iran

- Inspection welding according to AWS-D1.1 and NDT of weld by PT.
- Study on standards ASME /API/ANSI,...

EDUCATION

Iran

Sep 2007 - Sep2011

**ISLAMIC AZAD UNIVERSITY BRANCH OF OLOM
TAHGHIGHAT-SAVEH**

MATERIAL ENG, Bachelor(BSc of industrial metallurgy),

Thesis: Compare And Use of Standard in Oil And Gas

Field Such As:

*ASME SECII,V,IX/API 5L, 1104,6A,6D/ANSI:.B36.10,16 B16.34 B16.5
B16.20 B16.09,11*

**ISLAMIC AZAD UNIVERSITY OF SCIENCE&RESEARCH
BRANCH -TEHRAN**

Welding Eng, Master(MSc of industrial metallurgy)

Thesis: Friction Stir Welding&Friction Stir Process

CERTIFICATES

<i>ASNT Level 2, Iran</i>	<i>PT LEVEL II</i>	<i>2011</i>
<i>ASNT/TWI Level 2,Iran</i>	<i>RTI LEVEL II</i>	<i>2014</i>
<i>ASNT/ Level 2,Iran</i>	<i>UT LEVEL II</i>	<i>2015</i>

LANGUAGES

English Working knowledge

COMMENTS

❖ *My skills include:*

- *Review, develop, and apply projects normative documents such as specifications, procedures, drawings, codes, and standards.*
- *Review and develop quality programs and inspection test plans (ITP) for fabrication activities; and identifying hold, witness, and review inspection points.*
- *Audit and monitor activities in sites and workshops according to projects' requirements, ITPs, procedures, drawings, and standards.*
- *Well experienced in performing inspection of fabrication activities such as fit-up, welding, NDT, PWHT, equipment installation, painting/coating, and pressure test in SMP projects.*
- *Inspection of raw materials and equipment for piping and pipeline projects.*
- *Welding inspection by VT , PT, and RTI (ASNT Level II).*
- *Review and verify welding procedures (WPS), review of NDT, PWHT, pressure tests procedures.*

-
- *Welder test (WQT) according to related standards and projects' requirements.*
 - *Generate, compile, and maintain documents, reports, and MDRs.*
 - *Familiar To ECE And PREDICT Software corrosion*
